# ONLINE SAFETY TRAINING

*Take part in Egan's ongoing Safety Education and earn Egan Safety Bucks.*

Egan has Online Safety Courses available through SafetySkills. Each training is estimated to take between 15-40 minutes which you will earn a Safety Buck valued between \$10-\$25 for each course taken. Safety Bucks will be mailed to your home within 2-3 weeks.

Below are just some of the courses available in the Egan library.

- Working Alone Safely
- Carbon Monoxide Awareness
- Hand and Pinch Point Safety
- Ladder Safety
- Office Safety
- and more...

To start taking online safety training please email your request to be registered providing your full name and preferred LOGIN/USER I.D. to [cmf@eganco.com](mailto:cmf@eganco.com).

Once your request has been completed you will receive a welcome email from Safety Skills ([system@safetyskills.com](mailto:system@safetyskills.com)) which will include the link to access your account and will be prompted to create your password when you first log in.

The link for Online Safety training is: [egan.mysafetyskills.com](https://egan.mysafetyskills.com)

For questions related to registering, please email Chris at [cmf@eganco.com](mailto:cmf@eganco.com)

For technical issues, please contact [support@safetyskills.com](mailto:support@safetyskills.com)

*(Optional online safety courses should be taken outside regular business hours)*
