
ONLINE SAFETY TRAINING

Take part in Egan's ongoing Safety Education and earn Egan Safety Bucks.

Egan has Online Safety Courses available through SafetySkills. Each training is estimated to take between 15-40 minutes which you will earn a Safety Buck valued between \$10-\$25 for each course taken. Safety Bucks will be mailed to your home within 2-3 weeks.

Below are just some of the courses available in the Egan library.

- Job Hazard Analysis
- Basic First Aid
- Mental Health Awareness in the Workplace
- Chemical Safety
- Slips, Trips and Falls
- and more...

Please reach out to Maria Holmes at meh@eganco.com to request to be registered for online safety training. You then will receive a welcome email from Safety Skills (system@safetyskills.com) which will include the link to access your account and will be prompted to create your password when you first log in.

The link for Online Safety training is: egan.mysafetyskills.com

For questions related to logins and registering, please email Maria Holmes at meh@eganco.com. For technical issues, please contact

support@safetyskills.com

(Optional online safety courses should be taken outside regular business hours)
